PROFESSIONAL SUMMARY

Multidisciplinary Designer with over a decade of experience spanning industrial design, 3D modeling, and creative direction. Expert in crafting comprehensive brands, signage, motion graphics, UI/UX systems, and detailed 3D visualizations. I actively integrate AI-assisted coding into my workflow to prototype interactive web layouts and build custom reactive graphics applications. Proven track record of translating complex spatial and technical concepts into cohesive visual identities for tech startups, media platforms, and non-profits.

KEY SKILLS

Core Competencies: Brand Design, Art Direction, UI/UX Design, Spatial & Environmental Design, 3D Modeling & Rendering, Motion Graphics, Sound Design, Music Production, AI-Assisted Web Prototyping.

Technical Skills: Adobe Creative Suite (Photoshop, Illustrator, InDesign, After Effects, Premiere, Lightroom), Figma, Blender, Plasticity, Substance Painter, Ableton Live 12, Claude, Generative AI Models.

PROFESSIONAL EXPERIENCE

Graphic Designer/Art Director

10/2025 - present

OHM518, Albany, New York (Part-Time)

An electronic music and digital arts foundation dedicated to technological innovation and community growth.

- Lead all audience-facing communications and brand strategy by developing OHM's custom visual identity using Adobe Illustrator and Photoshop, resulting in a cohesive rollout across social media, website, and physical merchandise.
- Drive digital engagement for grassroots events by creating audio-reactive motion graphics (After Effects) and targeted social campaigns, achieving a reach of 65,000+ and over 2000 interactions on Instagram on a brand new account.
- Design the layout and schematics for a physical half-fold promotional brochure utilizing Adobe InDesign, successfully supporting offline marketing efforts and local community distribution.
- Plan and execute the spatial design and launch of a 120-person capacity community arts venue in Troy, NY, securing a venue contract and successfully showcasing local electronic music and visual artists.
- Organize and host documentary screenings at Alias Coffee to educate the community on electronic music history, achieving increased local engagement and grassroots brand awareness.

Freelance Multidisciplinary Designer

01/2024 - present

Raido, Remote

An independent design brand offering multidisciplinary services including branding, UI design, and music production.

- Reimagined the brand identity, typography, and UI for "tiki" (a music event app in Panama and Germany) using Illustrator and Figma, solving prior branding failures and achieving a vibrant, user-friendly storefront.
- Directed comprehensive design services for Nucleo (a Panamanian design studio), utilizing Photoshop and Illustrator to create a minimalist logo and versatile digital assets that cemented the studio's modern aesthetic.
- Designed spatial layouts, custom furniture, and natural wood signage for Kinkara and Marriott Hotels using 3D modeling, industrial design and brand consistency to successfully bridge the organic environments with machine-precision aesthetics and brand.
- Provide ongoing audio mastering and visual branding for various electronic music acts (using Ableton Live 12 and Blender), achieving professional-grade sonic releases and cohesive artist identities.

Graphic Design Teacher (Part-time)

09/2023 - 12/2025

Crimson Global Academy, Remote

A premier online academy delivering world-class international education to students globally.

- Developed and delivered a comprehensive Graphic Design and Digital Media curriculum, effectively educating students on foundational design principles and industry-standard software (Adobe Creative Suite) to foster both creative and technical proficiency.

Head Designer / Branding (Part-time)

05/2023 - 09/2024

The Publica, Remote

A digital news-media platform dedicated to truth, wisdom, and honest storytelling.

- Established the foundational brand identity and UI/UX for a news-media startup, managing a small design team and applying strict typographical hierarchy via Figma and Illustrator to ensure clear, honest visual storytelling.

Senior Graphic Designer**01/2022 - 03/2023****Lionbridge**, San Jose, Costa Rica*A global company specializing in translation, localization, and data training services.*

- Designed scalable social media assets, training prints, and presentation decks for Motorola using the Adobe Creative Suite, establishing a unified and effective visual strategy for global corporate communications.
- Created specialized 3D and 2D packaging for product launch kits and career-specific branding, resulting in highly polished physical and digital deliverables that supported major marketing initiatives.
- Managed creative procurement and multimedia production alongside standard graphic design duties, consistently delivering high-quality promotional material across multiple corporate touchpoints.

Multidisciplinary Designer**02/2018 - 01/2021****elastica**, San Jose, Costa Rica*A boutique multidisciplinary design studio specializing in interior, furniture, and brand design for hospitality and retail spaces.*

- Designed custom furniture, spatial layouts, and environmental signage for hospitality and retail clients (including Honda & Marriott) using 3D modeling renderings, signage and environmental graphics.
- Produced and edited multimedia content, including product/spatial photography and custom audio soundtracking (After Effects, Ableton Live), resulting in highly engaging promotional videos and cohesive brand experiences.

EDUCATION**Master of Arts (MA), Product Design and Development**, ELISAVA School of Design and Engineering, Barcelona, Spain**Bachelor of Arts (BA), Industrial Design**, Universidad Veritas, San José, Costa Rica**PROFESSIONAL DEVELOPMENT/AFFILIATIONS****Industrial Design & Branding Internship - SAVVY STUDIO (MX)** - Mexico City, Mexico - 2016
